

## My Exotic Other

"I get some of the coolest, hottest music from around the world. Paul Klemperer sent me his new CD and it's great" - Rick Mizuno, *Indies In Motion, LA Talk Radio*

"World Music Night is about multiculturalism. My Exotic Other is the epitome of World Music Night." - Brandon Badillo, *founder of Bemba Entertainment & creator of the World Music Night concert series in Austin, TX*

Based in Austin, Texas, saxophonist Paul Klemperer has played with hundreds of musicians over his 30-year career. His tours have taken him across the U.S., to Europe, Asia and Latin America. Along the way he has absorbed many musical styles, reflected in his wide-ranging compositions. His latest project, My Exotic Other, is an unfettered blend of contemporary jazz and world music. Aided by a versatile community of artists, My Exotic Other explores the shifting regions of sound where the known and unknown meet.

From the fans:

"It's delicious! This is my favorite CD."

"The music takes me away to another place"

"Liberty Lunch is a fantastic song, awesome vibe!"
