

MANTECA BEAT

“Cool beats with a little grease.”

Appearing at:

Manteca Beat has a sound which is both familiar and fresh. Led by Paul Klemperer's soulful sax, the group explores the best in classic R&B, blues and Latin music, with a cool jazzy edge.

“One of the best sax players in Texas. He puts on an incredible show!”

- Nuri Nuri, KPFT Radio, Houston.

“The Manteca man is Paul Klemperer, a Texas sax player with a lot of New Orleans, St. Louis, New York and Havana in his soul...The vibe throughout is smooth and laid back, the kind of music that works well in a smoky late night club...”

- J. Poet, Palm Beach New Times.
